PETITION TO THE HOUSE OF COMMONS IN PARLIAMENT ASSEMBLED

Please sign this petition to support Roxanne's Law (C-510), empowering women to press charges if they are coerced into an unwanted abortion.

Whereas Roxanne Fernando was a Winnipeg woman whose boyfriend attempted to coerce her to abort their unborn child and subsequently murdered her for refusing to do so;

We, the undersigned residents of Canada ask the House of Commons in Parliament assembled to support C-510 (Coercion) which will help protect vulnerable women from being aggressively coerced against their will to have abortions.
